

VTE WEBCAST TECHNICAL INFORMATION

For viewing the webcast you will need the proper set up for projection from the computer or a large monitor for viewing. The computer will need to have access to the internet to view the webcast at www.crmhealthcare.net/programs/vte.

Video Projection: For groups under 75, we recommend two monitors that are at least 26" each. For rooms that seat more than 75 people, a projection television system is recommended. While screen size will depend on the size of the room and the anticipated number of participants, the minimum size screen we recommend is 6' by 8'.
